

§ 93.24 [Reserved]

§ 93.25 Initial assignment of Arrival Authorizations to U.S. and Canadian air carriers for domestic and U.S./Canada transborder service.

(a) The FAA shall assign to each U.S. and Canadian air carrier, conducting scheduled service at O'Hare, as of the effective date of this rule, Arrival Authorizations for each scheduled arrival that it published for either domestic or U.S./Canada transborder service for any day during the 7-day period of November 1 through 7, 2004, as evidenced by the FAA's records, not to exceed the peak-day limits for each carrier established under the August 18, 2004, "Order Limiting Scheduled Operations at O'Hare International Airport." A carrier's total assignment under this paragraph shall be reduced accordingly by (i) any international Arrival Authorizations assigned under § 93.29 (a), and (ii) if the carrier transferred or traded for consideration any arrival authorizations to another carrier under the October 2006 order amending the August 18, 2004 order and the transferee carrier meets the conditions of paragraph (b) of this section, the number of such traded or transferred authorizations.

(b) The FAA shall assign an Arrival Authorization to each U.S. and Canadian air carrier that did not publish a scheduled domestic or U.S./Canada transborder arrival during the period of time referenced in paragraph (a) of this section for arrivals for which the carrier:

(1) Was entitled to under the August 18, 2004, "Order Limiting Scheduled Operations at O'Hare International Airport," as amended, and is conducting scheduled service at O'Hare as of the effective date of this rule; or

(2) Has initiated scheduled service or received FAA approval of a trade or transfer under the August 18, 2004, "Order Limiting Scheduled Operations at O'Hare International Airport," as amended, as long as operations conducted under the Arrival Authorization begin no later than January 27, 2007.

(c) Arrival Authorizations will be assigned to the U.S. or Canadian air carrier that actually operated the flight regardless of any codeshare or mar-

keting arrangement unless such carrier did not market the flight under its own code and the inventory of the flight was under the control of another Carrier. If the inventory was under the control of another Carrier, the FAA shall assign the Arrival Authorization to that Carrier. Carriers may subsequently transfer Arrival Authorizations for use by other Carriers under their marketing control in accordance with § 93.2(m).

(d) Any Arrival Authorization not assigned under paragraphs (a) or (b) of this section will be assigned to carriers conducting scheduled international service under § 93.29. Any remaining Arrival Authorizations will be assigned by preferred lottery under § 93.30.

(e) The FAA Vice President, System Operations Services, is the final decision-maker for determinations under this section.

[Doc. No. FAA-2005-20704, 71 FR 51400, Aug. 29, 2006, as amended by Amdt. 93-86, 71 FR 60426, Oct. 13, 2006]

§ 93.26 Reversion and withdrawal of Arrival Authorizations.

(a) A U.S. or Canadian air carrier's Arrival Authorizations assigned under §§ 93.25 or 93.27 revert automatically to the FAA 30 days after the Carrier has ceased all operations at O'Hare for any reason other than a strike.

(b) The FAA may withdraw or temporarily suspend Arrival Authorizations at any time as a result of reduced airport capacity or to fulfill operational needs. Whenever Arrival Authorizations must be withdrawn, they will be withdrawn in the required 30-minute Arrival Authorization time periods in accordance with the priority list established under § 93.32 of this subpart.

(c) Any Arrival Authorization that is withdrawn or temporarily suspended under paragraph (b) will, if reassigned, be reassigned to the Carrier from which it was taken, provided that the Carrier continues to conduct scheduled operations at O'Hare.

(d) The FAA shall not withdraw or temporarily suspend under paragraph (b) any Arrival Authorizations if the result would be to reduce a Carrier's total number of Arrival Authorizations below eight.
